About Jacaranda Golf Club

Representing a consolidation of the best traditions of the game combined with the latest in golf course design, Jacaranda Golf Club embodies the best of both worlds for today's golf enthusiast. A \$10 Million renovation to its East and West courses breathed new life into a classic South Florida design. The restoration showcases a combination of new technology and traditional design allowing both the scratch golfer and the weekend warrior to compete on the same playing ground. The original Mark Mahannah designed course was renovated by Weed Design of Ponte Vedra Beach, Florida.

The invitational will be played on Jacaranda's West Course, which has been traditionally labeled a shot maker's golf course. Impeccable conditions paired with private club atmosphere & service provides players an opportunity to "Experience the Difference" Jacaranda's new look brings to a South Florida visit.
